Dear Friends:

The scripture readings this week talk about hospitality. When we think of hospitality, we usually think of welcoming someone into our home. Yet, there are other ways to offer hospitality. I often wonder if we realize how many times, in the course of a day, we offer hospitality to someone. When a friend or relative calls and is concerned about something or a problem they are facing, we are offering the hospitality of listening. When we help someone with a project, we are offering them the hospitality of our hands and our time in service. I find that one of the most often expressions of hospitality is when someone offers a ride to someone else. That can be very time consuming and yet the desire to offer the ride is a very gracious means of hospitality. Take some time this week and think of the many ways you offer hospitality to someone.

Yours in Christ,
Very Rev. Michael A. Carrano

IMPORTANT GOOD NEWS

I wish to thank all our parishioners who pledged to the Generations of Faith Campaign. Keeping up with your pledge is very important as I am happy to announce that, if all goes well, the first payment will be made to the parish and in early July we will begin two major projects: (1) The shrine area of Our Lady of Hope (on Eliot Ave) - will be restored and (2) the entire parking lot will be completely redone and restored.

RELIGIOUS EDUCATION

Registration for the upcoming year ends July 31st. Please call Karen at 718-335-8394 for more information. A late fee will be charged after this date.

HELP WANTED

We are always in need of teachers and assistants for our Sunday School program. If you have some spare time to help a child learn more about our faith, please call Karen for more information. A little time makes a big difference in a child’s life.

WITNESSES OF MERCY

The Catholic Charities Office of Mission has invited our parish to initiate a volunteer program called Witnesses of Mercy. Its purpose is to provide outreach to seniors living alone and the homebound of all ages. Do you have the organizational skills to help coordinate this effort? Or do you have the people skills to be a volunteer visitor? Do you already help the homebound but want to make a bigger impact? Do you know someone who would benefit from being visited? If you can answer yes to any of these questions, please call the rectory at 718-429-5438 to leave your name and number so you can receive further information.

ST. VINCENT DE PAUL SOCIETY

Our Lady of Hope should share in the profits. For each car, truck or van, running or not. The Society of St. Vincent de Paul will give back to our church $50/$100 per vehicle. Maybe you don’t have a vehicle in their driveway that they would dispose of. Call the society of St. Vincent de Paul at 718-491-2525. Thank you for your participation.

Swimming Safety for Seniors

1. Check with your doctor first - he/she will probably recommend swimming but will point out that it can be a demanding form of exercise, and will suggest the appropriate limitations.

2. Begin slowly - if it has been a long time since your last swim, gradually increase your time in the water and just enjoy being in the water.

3. Do not run into or dive into unfamiliar water - a lake or ocean could have a sudden drop off and a pool may not be the depth posted.

4. Never swim alone - no matter how good a swimmer you are, you can become disoriented, have vision issues, suddenly panic or simply become too tired.
